CGPA: 9.0

10th Standard – Narayana High School, Ongole
CGPA: 9.8

Technical Skills

Languages: Java, Python

Web Development: HTML, CSS, JavaScript

Database : SQL

Internship Experience

UI/UX DESIGN - INTERNSHALA

- Gained practical experience in developing and understanding ui/ux design.
- Explored applications of ui/ux design in real-world problem-solving.

GENERATIVE AI TOOLS-TALENTIZE

- Gained practical experience and knowledge on ai tools understaing about generative ai.

-Explored applications of generative ai in real-world problem-solving.

C++ PROGRAMMING

-Gained practical experience and knowledge and implemented a real time project on it.

-Explored different applications on real time problems using c++ programming

FULL STACK WEB DEVELOPMENT

- Gained practical experience in developing and understanding Full stack using React.s
- Explored applications of Full stack project on E-COMMERCE in real-world problem-solving.

Certifications

• Programming in java – NPTEL

• Computer Vision and Image Processing – NPTEL

• Python Programming – NSDC through Skill India Digital Hub

• Front End Development – Micro Information Technology Services

.Tata Group Data Analytics Job Simulation on Forage - July 2025

Projects

MINI PERSONAL BUDGET TRACKER

Tech Stack: pythan, Django, pandas, matplotlib, CLI, SQLite
Project Type: Front-end (Static)
Duration: [Feb 2025] – [April 2025]

🔹 **Description:**

Developed a front-end web application that simulates a basic personal budget tracking system. The app displays status (Income/Expenditure), manages Income and Expenditure, and allows data storage for users.

🔹 **Features:**

- Add Income and Expenses
- Monthly/Weekly Budget Overview
- Set and Track Budgets
- Visualization

Major Project

. Developed and implemented a Variational Quantum Classifier (VQC) model for financial time-series forecasting, demonstrating its potential for predicting market direction.

Achievements

• Coordinator, NSS, BWEC

• Second Finalist, Technical Quiz, BWEC

• Participant, Paper Presentation of national level wartech, BWEC

Personality Traits

• Quick Learner

• Effective Communicator

• Ethical and Responsible

Interests

• Social Service and Community Engagement

Declaration

I hereby declare that all the information provided above is true and accurate to the best of my knowledge and belief.
